

EGO BENEFITS

Happy Teams and Happy Customers

We understand the importance of happiness in the workplace. Our employee retention is industry leading and many people return to work for Ego after pursuing other roles. We spend time day in, day out in our restaurants, working with our teams, listening and understanding their needs and enabling them to improve their business. We live and breath the day to day of running a successful restaurant. Joining our family entitles you to a number of great benefits.

Free Food on Shifts

Everyone working a 6-hour shift is entitled to a free meal.

We let you choose from our full a la carte menu (excludes Steaks & Grills) or any of our menus so you can enjoy all the delicious food that is prepared freshly each day for our guests. There's no better way to help understand our dishes than to enable you to eat them all.

28 Days Holiday

Every team member can enjoy up to 28 days holiday, pro rata.

This is above the industry average and not only is this holiday allowance offered, it is often enforced to ensure you are getting that all-important time off to rest and recuperate.

100% of Tips

Our company policy is to pass on 100% of the tips each restaurant has made regardless of whether the tip is left in cash or on card.

We don't pass on any of the processing and handling fees for tips left on card as our ethos is you earn the tip, so you get 100% of the tip, shared out between the whole team.

Staff Discounts

Enjoy eating out at any of our Ego restaurants with friends and family and the whole table can take advantage of our Monday offer, where you can enjoy any 2 courses from our a la carte menu for only £15.95 and bottles of house wine for only £5, every Sunday - Thursday.

Christmas Day Off

We close all of our restaurants on Christmas Day every year.

As a company, family is hugely important to us and we therefore close all of our restaurants on Christmas Day so that you can spend time with your loved ones on such a special day.
